

December 19<sup>th</sup> 2021

## **Rules**

When arriving please come to the green trailer first, you will need to sign a waiver and pay your entry fee. We will allow non 1RC Racing RX/TX. Everything else must be a 1RC Racing product or a product sold at Chiefland RC Raceway (aftermarket mud plugs). Midgets will run the 4 cell batteries, EDM, Sprint Cars and 602 Late Models will run 5 cell batteries, 8700KV motors only. Super Late Model will run the 8700KV with a 2 cell lipo Battery.

## **Format**

We will be racing on the Concrete Track for this event.

Practice- There will be 2 hours of practice. We will practice by class; each class will get a 6-minute block with a 2-minute transition between classes.

Qualifying- There will be two 20 lap heat races. Random draw on the heat races if there is more than 1 heat per class. We will race 6 cars per race for the qualifying heats. Depending on how many heats we have will determine how many cars we take to fill the auto 8 qualifiers. Everyone else will go into lower mains with only 2 advancing from the B-Main into the total of 10 cars for the 400-lap race.

Winter Nationals 400- The race will be conducted in four 100 lap segments. If your car gets stuck, flips over or breaks a part there will not be a red flag and you cannot flip it back over or touch it until the end of the segment. If someone happens to hit you and flip you back over, then you can continue. The cars must remain on the track during the entire segment. We will have someone in the middle of the track should a car flip into the infield. That person will put the car back on the track. The first racer to complete 100 laps will receive the red flag for the field. Everyone will be allowed to get their cars and change their battery and make any repairs necessary, with a time limit of three minutes to make those changes. The cars will then be placed back on the track in the running order and we will continue. This will be repeated until we have completed 400 laps.

## **Cost**

1st Class \$20

2<sup>nd</sup> Class \$5

3<sup>rd</sup> Class \$5

## **Schedule**

Practice (Order: 1 p.m.- 3 p.m)
