Race Format

Heat Races

- Random draw for heat races
- Heat races are 30 laps in length for all classes but Novice they will run 20
- Depending on number of cars will depend on how many heat races per class.
- If there are 12 cars, then we will split the field into two races.
- There will be 2 sets of heat races.
- Depending on how many cars we have in each class will depend on how many automatic qualifiers we have per heat.
- The rest of the cars will run in the B Main with the B main running before the A main.
- We will run 6 cars in each heat.

Main Events

- Main events will have 6 cars qualifying in from their heat races. The last two spots will be filled by the top 2 coming out of the B-Main.
- The lowest main event will run first
- Laps for main events are as follows:
 - A-Main – 50 Laps
 - B-Main – 20 Laps
 - C-Main – 20 Laps
 - D-Main and Lower – 15 Laps
 - Top Finisher from each main event will bump to the back of the next higher main event. Top 2 from the B-Main will make it into the A-Main.

Awards

Weekly

- Each racer will receive a Chiefland RC Raceway Summer Series Sticker
- Series winners will win a trophy, new set of tires.
Runner-up winners will win a new set of tires.
