Race Format

Endurance 500 has its own special format.

Heat Races

- Random draw for heat races
- Heat races are 30 laps in length for all classes but Novice they will run 20
- Depending on number of cars will depend on how many heat races per class.
- If there are 12 cars, then we will split the field into two races.
- There will be 2 sets of heat races.
- Depending on how many cars we have in each class will depend on how many automatic qualifiers we have per heat.

- The rest of the cars will run in the B Main with the B main running before the A main.
- We will run 6 cars in each heat.

Main Events

- Main events will have 6 cars qualifying in from their heat races. The last two spots will be filled by the top 2 coming out of the B-Main.
- The lowest main event will run first
- Laps for main events are as follows:
 - A-Main – 50 Laps
 - B-Main – 20 Laps
 - C-Main – 20 Laps
 - D-Main and Lower – 15 Laps
 - Top Finisher from each main event will bump to the back of the next higher main event. Top 2 from the B-Main will make it into the A-Main.

Awards

Weekly

- Each racer will receive a Chiefland RC Raceway Summer Series Sticker
- Series winners will win a trophy, new set of tires. Runner-up winners will win a new set of tires.

This is a family environment facility; we ask that no alcohol or drugs be brought onto the facility. If you smoke, do so away from the pit area under the tent outside or outside of the RC shed away from the big fan. Please do not throw your cigarette butts on the ground! Everyone who comes to the concrete track will need to sign the waiver/ release form each time you come. We also ask that you do not bring any pets and or peanuts as we have two kids that are highly allergic to peanuts. We do have soft drinks and water for sale.
