-Mains

Kids, Rookies 50 laps

Midget, EDM, Sprint

Car, Super Late

Models 100 Laps

UMP Modified 400

Laps

602 LM 400 Laps

Format

We will be racing on the outdoor track under the lights for this event.

Practice- There will be 2 hours of practice. We will practice by class; each class will get a 5-minute block with a 30 second transition between classes. We will only have 6 cars on the track at a time. Larger classes will get more than 1 block per session.

Qualifying for the 400 lap races each driver will get 5 laps with the fastest lap being used to set up the heat races.

Heat Races- There will be 1 heat race of 30 laps. Depending on the number of entries will determine how many heats we have. Depending on the number of heats will determine how many racers are advanced straight into the 400-lap race. There will be 6 automatically advanced into the 400. Then lower mains will determine the final 2 spots making the field of 8 cars.

Main event. During the 400-lap race we will have 4 turn marshals with hockey sticks to turn cars back over. Each driver is responsible for deciding when to change their battery and responsible for changing their own battery. They are to receive

Cost

1st Class \$20

2nd Class \$10

3rd Class \$10

Awards

-Kids, Rookie, Midget, EDM, Sprint Car & Super Late Models. 1st place award

-Winner in Winter Nationals 400 (UMP Modifieds & 602 Late Model) will receive a trophy. 2nd & 3rd will receive a trophy.

There will be a quick time award.

There will be a fastest completed race award.

Trackmate is the timing system we are using. Let me know if you need to purchase a timing chip so I can have enough available when you get on site

no outside assistance on fixing their car or pulling the car off the track unless they have cleared it with track management first. First racer to 400 laps wins.
