

Mini-Z

Rules

Rules are subject to change. Racers will be notified on Facebook, ChieflandRCRaceway.com and announced at the venue multiple times.

We are starting with one class. As we grow Mini-Z cars we will start adding multiple classes. For the first few months as we get used to these cars, how they handle and the different options we will be making several rule changes. Keep looking back on the website for these rule changes.

Car

Mini-Z MR-03 RWD Ready Set

- Chassis must remain stock (exception Carbon T-Plate)
- Tire upgrade allowed, softer tires.
- Any pinion gear that comes with car 6,7,8,9
- Any stock Mini-Z body. (No aftermarket Lexan)
- Stock Controller
- Stock motor
- Tire cleaning with water and simple green only!
- AAA batteries only.

Racing Format

Trackmate timing system

Heat Races

- Heat Races will consist of 3-minute races.

Main Event

- Main events will consist of 4-minute races.

Remember, these are toy cars, and we are here to have good clean FUN!

Race Rules

- Starts will be a single file start on starting line.
- Races are timed races. No stopping at any time.
- At no time should anyone step on the track.
- You oversee the flipping of your own car back over.
- Car with the most laps after the designated time wins.
