

#### **Unlimited Class & Figure 8 Class**

- You must run a 1RC Chassis (Sprint Car, Midget, Late Model, UMP Modified, Asphalt Modified, EDM, Super Modified).
- This class is unlimited, run any chassis, motor, battery, tire, ESC set however you would like, drill holes in the gears, cut the chassis up, put a wing on the top of a modified, late model, midget. Whatever you can think of without using a gas motor.
- Car must fit under the timing loops.
- No Tire Prep!
